

Plant Engineering & Maintenance Division

PEMD Mission Statement

- The continuous improvement of manufacturing, utilities and facilities management through global plant engineering and maintenance

PEMD Strengths

- Large technical division membership – over 15,000 members!
- International membership from 108 countries – 110 ASME fellows
- An average membership in division of 21 years

Areas of Expertise

- Steam and power plants
- Heating, ventilation and air conditioning
- Facilities physical plant management
- Petrochemical refineries and chemical plants
- Maintenance management
- Project management and budget control
- Regulatory compliance

Strategic Business and Marketing Plan

- Offer training courses applicable to our division interests
- Improve communications with our members
- Organize local events with participation by local sections
- Try to engage the interest of student members
- Organize exciting national conferences
- Offer job recruitment services
- Ensure growth in division membership

Inter-Divisional Activities

- Participation with other ASME divisions and conferences in the interest areas of:
 - Power generation
 - Boiler, pressure vessel and pressure piping
 - Design engineering
 - Manufacturing engineering

Opportunities

1. Increasing communication with and more active involvement of our volunteer members
2. Enhanced cooperation and interaction with standards committees, district and other technical divisions.
3. Re-establish the Plant Engineering and Maintenance Division conference
4. Re-establish technical committees
5. Continuation of the development of long term strategic plan and financial model for the division
6. Utilization of the expertise of our division members
7. Utilization of the expertise of ASME staff support
8. Keep exploring for better and more efficient ways to get things done

Executive Committee

Chair – Eric Huston	eric.huston@skf.com
Vice-Chair/Treasurer – Sam Black	samuel.black@honeywell.com
Advisor/Past Chair – Steven J. Kaercher	kaerchers@dteenergy.com
Advisor/Past Chair – Walter Walejeski	w.walejeski@att.net
Secretary – Dave Christiansen	christiansend1@asme.org
Member at Large – Greg Coil	GCoil@qteros.com

ASME STAFF

Abraham Hassan	hassana@asme.org
Lee Hawkins	hawkinsl@asme.org
