

# Early Career Leadership Intern Program to Serve Engineering (ECLIPSE)

## What is ECLIPSE?

ECLIPSE is a competitive internship program through which participants are matched with a specific ASME unit for one year. Interns work closely with their assigned mentor to complete one or more projects throughout the year.

## Goals:

- Place early career engineers in highly visible and productive roles within ASME
- Mentoring by high-level ASME volunteers
- Significant contributions by early career engineers to sectors, boards, committees

## Why join ECLIPSE?

If you are ready to make a difference in your career and want to gain leadership experience with high-level ASME professionals, ECLIPSE is a great opportunity for you. Network with your colleagues at various meetings, including: the Annual Meeting (AM), International Congress and Exposition (IMECE), and the Leadership Training Conference (LTC). Learn about and contribute to ASME while creating lasting friendships and expanding your career network.

## Who is eligible?

- Members who have served 3-10 years in the workforce
- Members who have not previously served as an LDI or MLP intern

## How can you apply?

Additional information and an online application can be found at:

[www.asme.org/Governance/Volunteer/Early\\_Career\\_Leadership.cfm](http://www.asme.org/Governance/Volunteer/Early_Career_Leadership.cfm)

## Stay in Touch with Fellow Interns

The ECLIPSE Affinity Group is dedicated to maintaining connectivity between present and past interns as well as serving as a resource for interested candidates. We can be found online at:

[peerlink.asme.org/COP/ECLIPSE](http://peerlink.asme.org/COP/ECLIPSE)

...or find us on Facebook (ASME ECLIPSE)

## Contribute, Learn, and Have Fun!

We try to have as many formal and informal get togethers as possible so that past, present, and future interns maintain lasting and meaningful connections.
