

# Graduate Students Affinity Group

Are you a Graduate Student / Professional and want to find your spot within ASME?

## Vision

- Provide a sense of community by linking every professional and graduate student to ASME Technical Divisions, Industry and Universities.

## Object

- Promote the art and science of mechanical engineering in areas of investigation, workforce and technology development.

## Why Should I Be Part of the GSAG?

- Find people with your same passion
- Expose your ideas!
- Network with people from Industry and Universities.
- Be part of a new home within ASME.

- Technical Resources
- Entrepreneurial Resources and Opportunities
- Networking and Job Research
- ASME Financial Aid
- Technical Conference Registration Discounts
- ASME e-Library
- Fellowships
- Technical Papers, Grants and Awards

## Come and Join Us

Link members with common technical interests, such as:

- Nuclear Engineers
- Consulting Engineers
- Engineers in Government
- Engineering Services
- Research

It's a great place to develop your leadership skills!
