

Serving Gas Turbine & Turbomachinery Professionals Worldwide for 57 Years

Mission & Vision

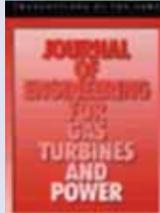

Mission Statement

- dedicated to supporting the international exchange and development of information to improve the design, application, manufacture, operation and maintenance, and environmental impact of all types of gas turbines, turbomachinery and related equipment

Vision Statement

- the world's foremost vehicle for the development and dissemination of all gas turbine educational and technological information
- for all professionals involved in the turbomachinery industry

Publications and Communications

- Journals
- Global Gas Turbine Newsletter
- Technical Papers & Proceedings
- Website: <http://igti.asme.org>
 - Products and Services
 - Networking
 - Online Membership Directory
 - Facebook/Twitter
 - Info Sharing
 - Best Practices

Operation, Membership & Governance

- 1 of 2 ASME Institutes
- 10 Member International Board
 - Academia, Industry and Government
 - Strategic and Fiscal Institute Management
- 17 Technical Committees
 - Organized according to the individual fields of interest within turbomachinery technology
 - 1100+ members
- 8000+ ASME members involved in IGTI (#22)
- 8 member staff based in Atlanta, Georgia

Honors, Awards, Scholarships

- Honors and Awards
 - The ASME Gas Turbine Award
 - The ASME R. Tom Sawyer Award
 - The IGTI Aircraft Engine Technology Award
 - The IGTI Industrial Gas Turbine Technology Award
 - The IGTI John P. Davis Award
 - The IGTI Scholar Award
 - IGTI Technical Committee Best Paper Awards
- Scholarships & Travel Assistance
 - Annual ASME \$4,000 scholarship
 - Ten annual \$2,000 scholarships
 - Conference travel assistance for early career engineers

Key Activities

- Turbo Expo Technical Conference and Exposition
 - Annual Technical Conference – over 1000 peer-reviewed papers
 - 3000+ Attendees
 - 175+ International Exhibitors
 - 20+ Sponsoring Organizations
 - Special Events
 - Student/Early Career Engineer Mixer
 - Women in Turbomachinery Dinner
 - Alternates Between North America and Europe
- Specialty Conferences
- Professional Development
- Publications and Communications
- Industry Advocacy
- Honors, Awards, Scholarships

Opportunities for YOU

- ASME Turbo Expo Exhibition and Sponsorship
- Publishing technical work in world renowned forums and journals
- IGTI Sponsorship
- Honors, Awards, Scholarships and Travel Assistance
- Leadership Within ASME and IGTI Structure
- Specialty Conferences
- Continuing Education/Professional Development

Professional Development

- Basic and intermediate training programs on a variety of platforms
 - Computer-based
 - CD-ROM
 - Classroom
- Webinars on salient industry topics
 - One-hour live sessions
 - Affordable
 - Highly customizable

- igti@asme.org

“The IGTI has served as the gateway for my association with the ASME. This is as true today as it was 17 years ago...It has provided education, visibility to current research and most importantly, an avenue for meeting and engaging with other gas turbine professionals in Academia, Government and Industry which has yielded fruitful associations and collaborations beyond any I have experienced within other aerospace organizations.”

Allan J. Volponi, Ph.D., ASME Fellow
Discipline Chief & Senior Fellow
Diagnostics, Prognostics and Health Management
Pratt & Whitney
